Colour Confidential's Jane Lockhart launched her own furniture line this year - HD&R's favourite is the Granger sofa with its fitted seat and tufted back. A special bench-seat construction makes it very comfortable plus the no loose back or seat cushions make it a great choice for a contemporary space. Shown here in a mustard-coloured velvet, available in 240 fabrics. Starts at \$1,400. **FOR A LIST OF RETAIL LOCATIONS, VISIT JANELOCKHART.COM.**

The Daddy's chair is a bold armchair with a clean and sophisticated look. Designed to embrace its user, the chair offers the highest seating comfort, thanks to its optimal angle and high-quality foam and springs. The massive five-cm thick armrests add a robust and static character for the finishing. The Daddy's chair is available in several types of fabric and leather and a variety of colours, starts at \$2,585. [VISIT NIEUV.CA](http://VISIT.NIEUV.CA)
